

## **Job Description Licensed Clinical Social Worker**

**Who We Are:** The Production Farm is a 501c(3) non profit behavioral and mental health agency operating in Manitowoc and Sheboygan Counties. We take an outside of the box and holistic approach to mental health care with a focus on play, connection, and growth.

**Title:** Licensed Clinical Social Worker  
**Reports to:** Director of Behavioral Health at The Production Farm  
**Location:** Manitowoc Office Location / Sheboygan Office Location and Remote  
**Hours:** Full time/Salaried;Exempt

### **Licensed Clinical Social Worker (LCSW)**

The Production Farm is expanding to include private insurance and private pay contracts. We are seeking a licensed clinical social worker to work with our behavioral health team as well as with our growing team of providers who work in a collaborative environment. The Production Farm partners with organizations and school districts to further the reach of behavioral health services in our community.

An ideal therapist will meet all the standard requirements expected from a licensed clinical social worker. Some telehealth opportunities will be available. Additionally, you may be expected to coordinate, track, supervise, and maintain documentation for interns who are placed with The Production Farm.

### **DUTIES AND JOB RESPONSIBILITIES**

- Attend team meetings (both virtually and in person); assist facilitator with establishing goals for service plan
- Document team meetings via service notes to document progress on

treatment goals.

- Conduct tours with new Consumers and their families
- Communicating with facilitator and parents regarding positive or negative behaviors, concerns occurring during service time
- Provide supervision to providers
- Uploading of services plans, crisis plans, and initial assessments to the Drive and keeping documents updated via coordination with the Farm office manager and County facilitators.
- Create behavioral interventions when appropriate to address Consumer's behaviors
- Provide guidance to Providers on Mandated reporting
- Coordinating care with Consumer's treatment team
- Scheduling individual skill building clients
- Reviewing new referrals for appropriateness and maintaining a waiting list
- Scheduling of staff and clients and coordinating with other locations on scheduling.

**TRAINING AND LICENSURE REQUIREMENTS**(f) *Supervision and clinical collaboration.*

Must hold a current LCSW

## **Compensation**

The Production Farm offers compensation commensurate with the candidate's experience for this position. Between 55,000 and 60,000 per year. In addition, The Production Farm offers a robust benefits package including, PTO, 401K plan with match of 100% up to 3% and 50% at 4 and 5%, medical, vision, and dental insurance plans, paid life insurance, and paid short and long-term disability, paid holidays, parental leave, and remote work flexibility.

## **We Believe...**

We at the farm believe in Play, as play is proven to be a necessity in youth development, youth engagement, and also teaches competencies. We believe in connection not only with the youth we serve, but their families and communities. We also believe in growth, so that we can grow together and learn from each other. We hope to empower and engage, by giving youth a voice, creative outlets, and meaningful connections so that we can provide opportunities for youth in care to succeed.

By working at The Production Farm, you can make a difference in the lives of others. Our success has translated into a rapidly growing organization, offering career opportunities in recognition of hard work.
